

## IPRA PRESS RELEASE

The IPRA Financial Report for financial year ending December 31<sup>st</sup> 2014, prepared and filed by IPRA financial accountants, AI Accounting Solutions UK LTD, has been accepted by the England and Wales Companies House with which IPRA was registered as a company limited by guarantee with a charitable status in June 2014. This means the registration of IPRA as a legal entity is up to date. This is a legal requirement for all companies registered with Companies House. This Financial Report covers all IPRA financial activities, especially those related to the last IPRA conference in Istanbul. Also attached is the Financial Report, an email confirming the acceptance by Company House of the IPRA Financial Report filed by IPRA's financial accountants, and an appendix providing details of the Financial Report
